TO: Mayor Dennis and Board of Works Members
FROM: Doug Payne, Street Commissioner
RE: Request for Joint Road Salt Purchase and Joint Traffic Paint Purchase with City of Lafayette

The Street Department would like to request approval to join the City of Lafayette in a joint purchase for road salt through the State of Indiana road salt bid for the 2015-2016 winter season. The department would be purchasing approximately 1,760-2,640 tons of road salt.

The Street Department would also like to request approval to join the City of Lafayette in a joint purchase for traffic paint and traffic beads for 2015. The department would be purchasing approximately 600 gallons of white traffic paint, 1,700 gallons of yellow traffic paint and 7,000 pounds of traffic beads.

Your approval would be greatly appreciated.
